WASHINGTON, D.C. – The U.S. Consumer Product Safety Commission, in cooperation with the firm named below, today announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately unless otherwise instructed. It is illegal to resell or attempt to resell a recalled consumer product.

**Name of product:** BT SA-17 Paintball gun/marker

**Units:** About 1,400

**Importer:** KEE Action Sports LLC, of Sewell, NJ

**Hazard:** When users attempt to pierce the CO2 cartridge by closing the lever to the cartridge chamber, the cartridge can fly out of the marker, posing an injury hazard to consumers.

**Incidents/Injuries:** No incidents or injuries have been reported.

**Description:** The marker is made of aluminum and resembles a pistol. It is black with model number BT SA-17 printed on both sides. It uses a horizontally-fed magazine and requires a 12g CO2 cartridge.

**Sold at:** Paintball fields/arenas, stores and retailers from May 2010 through August 2010 for about \$130. See below for list of Fields/Arenas, Stores and Retailers where the SA-17 Markers was sold.

**Manufactured in** Taiwan

**Remedy:** Consumers should immediately stop using the recalled paintball markers. Consumers can return the markers to KEE or the retailer from whom the product was purchased for a free repair or contact KEE for the repair parts and installation instructions.

**Consumer Contact:** For additional information, contact KEE Action Sports at (800) 220-3222 between 9 a.m. and 5 p.m. CT, or visit KEE's customer service website at [www.paintballsolutions.com](http://www.paintballsolutions.com).

---

The U.S. Consumer Product Safety Commission is charged with protecting the public from unreasonable risks of injury or death associated with the use of the thousands of consumer products under the agency's jurisdiction. Deaths, injuries and property damage from consumer product incidents cost the nation more than \$800 billion annually. The CPSC is committed to protecting consumers and families from products that pose a fire, electrical, chemical, or mechanical hazard. CPSC's work to ensure the safety of consumer products - such as toys, cribs, power tools, cigarette lighters, and household chemicals – contributed to a significant decline in the rate of deaths and injuries associated with consumer products over the past 30 years.

Under federal law, it is illegal to attempt to sell or re-sell this or any other recalled product.

To report a dangerous product or a product-related injury, call CPSC's Hotline at (800) 638-2772, teletypewriter at (800) 638-8270, or visit [www.cpsc.gov/talk.html](http://www.cpsc.gov/talk.html). Consumers can obtain this press release and recall information at [www.cpsc.gov](http://www.cpsc.gov).
